Making Farm Loans

is our business. We have loaned over \$700,000.00 on farms in the last year. We make loans in Missouri and Kansas. We have the best terms of any company loaning money. We make five year loans, interest payable annually, and privilege to pay any part or all of the principal at any interest pay day, without any thirty or sixty days' notice.

A great many companies do not give you privilege to pay your loan until maturity. Borrowing money on your farm is a business proposition. Be sure you know your terms before you are signed up. We tell you our terms, also just exactly what the rate will be. We Loan Strong per acre, as we make both first and second mortgages. The loans never get too targe nor too small for us to handle.

Write us about your loan, we can furnish you the money
